

Mock Client 5: Video Game Store

Company Name: NightView Video Games

Website Component	Description
About Us: Is there any information you want to include on your page?	Gaming is a very expensive industry to be in, but at NightView Video Games we allow you to bargain a price if you think that it should be cheaper. We are able to provide this service because we have people bring used video games to us in exchange for membership perks. We provide our customers with a place to buy video games at a reasonable price.
